An Escaped Officer.—We had a long conversation, yesterday, with an officer who arrived in this city, after confinement in rebel prisons during the last twenty mouths. Lieut. James Clements, 15th Kentucky Cavally was captured at Jackson, Tennesse, on the 18th day of June 18th da ly all of the rebel prisons for prisoners of war, having been moved from one to the other as our armies approached the places of his captivity. He was under the fire of our guns at Charleston, and was taken to Columbia. On the approach of Sherman's army. six hundred of our officers were placed on cars to be removed to Charlotte, North Carolina, and during the moving, Lt. Clements, being one of the six hundred; managed to escape. He had escaped from the prison on three previous occasions, but each time had deen recaptured and taken back, having been hunted down with dogs ... He states that there were twelve hundred officers confined in the grounds of the Lunatic Asylom, at Columbia South Sarolina, just previous to the approach of Sher nan, but preparations were being made to remove all of them to Charlotte, or Salisbury, North Carolina Not au onnce of meat has been issued to any of these officers since the 8d day of last October, the only food they received being five pints of meal, one pint of molasses and one table spoonful of salt for five days rations. Of course, men could not exist on such a limited amount of food, and the consequence may be imagined .-Chottanooga Gazette, March 9th.

THE REBELS COMING.—It may be reasonably expected by advices received from the East that there will be a large emigration of secessionists from the Western States to the Pacific coast during the coming summer. A correspondent of the Chicago Tribune, who writes from Jefferson City, Feb. 15th, says:
The emegration to the mining
Territories of the West will be

greater the coming spring than ever before-three times larger this year than any other year. There is one element going to these infant States which will perhaps not be welcome. I refer to the Secesh element of Missonri. Heretofore, the rebels of this State, when driven out by military authority or public sentiment, have gone South, This thing is about "played out" now. The rebellion has lost its charms to nine out of ten of our rebels, and they are packing up their traps and preparing to go to Colorado, Nevada, Idaho, Montana, or to Utah, in the spring. Utah being the only seesh Territory, many of these rebs talk of going there. May they all go there, and joy go with them.

When a man with a scolding wife was asked what he done for a living, he said that he kept a hot-house.

MARRIED AND SINGLE LIPE. None but the married man has a home in his old age; none but he knows and feels the solace of the domestic hearth; none but he lives and freshens in his green old age, amid the affections of his children. There is no tear shed for the old bachelor; there is no ready hand and kind heart to cheer him in his loneliness and bereavement; there is none in whose eyes he can see himself reflected, and from whose hips he receive the unfailing assurances of care and love. The old bachelor may be courted for his money; he may eat, and drink, and revel, as such beings do; and he may sicken and die, with plenty of attendants about him, like so many cormorants waiting for their prey; but he will never know what it is to be beloved; he can never know the comforts of the domestic fireside.

INTERNAL REVENUE APPOINTMENTS. A dispatch received in this city, a few days since, from Washington states, authentically, that Frank Soule has been appointed Collector for the First United States Collection District of California, vice William Y. Patch; and Lewis C. Gunn, Assessor, vice Caleb T. Fay. Gunn was formerly a resideut and an old journalist of Tuolumne county, and re-Port Angelos (W. T.)
